

Annual Wellness Visit

How are you doing?

Healthcare is more than just a physical exam. Every year, Medicare patients are eligible for a ***free wellness visit** aimed at keeping you healthy and for creating a plan designed specifically for you.

An Annual Wellness Visit (AWV) is different than a physical and can be performed at any visit.

The AWV portion of a visit is covered annually by Medicare. You may be responsible for a co-pay, coinsurance or deductible for any additional testing or screening.
