

Risk Management & Workers' Compensation

Helping Our Clients Manage Risk and Build a Superior Safety Culture

- Dedicated telephonic safety team
- Safety training resources - print and online
- OSHA reporting and compliance assistance
- Aggressive claims management and mitigation
- Loss analysis and safety program recommendations
- Return-to-work programs
- Drug free workplace programs

Engage PEO's primary WC carrier partner is AIG. We also offer our clients access to many different programs, providing a customized approach to building a risk management strategy aligned with individual client needs and risk exposure.
