Real Estate Brokerage

Our team facilitates and implements real estate transactions on a projectby-project basis - each project is unique. Our local market experts will assist you by providing the Services and Deliverables outlined below.

Brokerage Services

- Review of Current Lease Situation
- Strategy development (scenario planning, analyses, etc.)
- End-to-end transaction delivery (from kick-off, RFP, financial analysis, lease negotiations and execution)
- Close-out (document tracking and reporting)

Deliverables / Documentation

- Market Research Reports
- Relocation Alternatives
- Financial Analyses
- Proposals (RFPs / LOIs)
- Lease Documentation
- Demographic Analysis
- GIS Mapping
- Scenario Comparison Analysis
- Lease Abstraction / Summary

Examples of How We Add Value

Lower Costs

- Renegotiating Existing Lease
 Terms With Your Landlord
- Relocation Into A Less Expensive Location
- Reduce Size (SF)
- Consolidation With SoNE HEALTH network partner
- Increase Revenue Generating Space Within Existing Footprint Using Dollars From Landlord

New Location

- Improve Site Visibility
- Improve Space Quality
- Potential To Maintain or Lower Long-Term Real Estate Costs Through Efficiency
- Improve Patient Experience (ease of access, improved parking, high quality finishes, etc.)
- Maximize Patient Reach
 Through Location Analytics

Consolidation

- Location Sharing with SoNE HEALTH Network Partner
- Locate Within Future SoNE HEALTH Site
- Consolidate Multiple Practices Into Single Site (if you operate more than 1 location)

Excess Space

- Explore Opportunities To Downsize From Current Footprint
- Timeshares
- Early Blend / Extend
 Opportunity with Landlord
 (early renegotiation of lease
 terms well in advance of
 expiration date)

How To Engage CBRE

CBRE is already formally enegaged by SoNE HEATH. To engage CBRE as your representative for an individual project, please see below.

1. Contact

Reach out to CBRE to discuss your potential project and real estate needs.

2. Engage

Complete a simple, engagement letter between your practice and CBRE which can be cancelled at any time.

3. Implement

Complete kick-off call to establish project objectives and goals so that implementation can commence.

Typical Questions:

How is CBRE compensated? CBRE is typically paid by the Landlord or Seller upon the completion of a project. If engaged and ultimately there is no project completed for any reason, then CBRE is not compensated. Note that the instances where CBRE would be paid by SoNE HEALTH or a Network Provider would be in the event of a Sublease or a Sale of real estate property (where you are the Seller or the Sublessor).

How far in advance should I engage CBRE? We typically start lease renewal negotiations 18-24 months in advance of an expiration date. This provides us with enough time to implement a relocation if for some reason a renewal isn't possible or the strategy to relocate the practice is established.

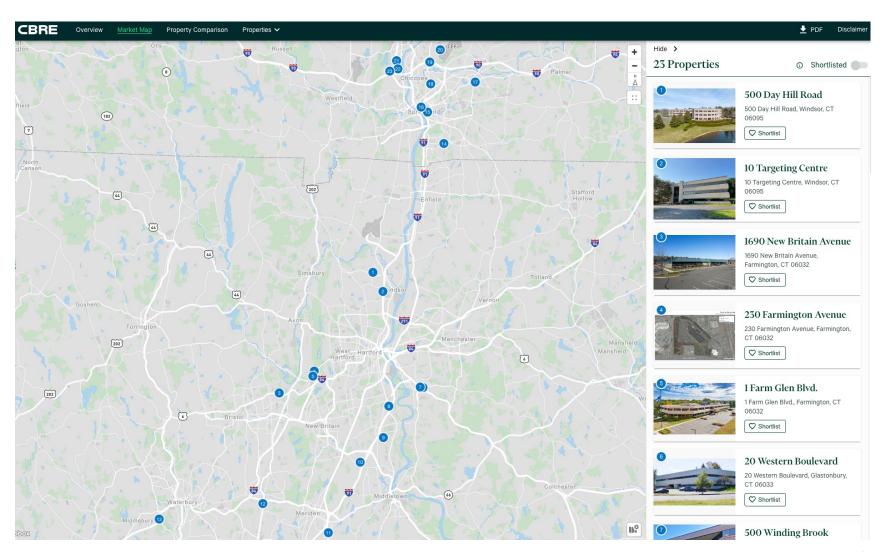

Can CBRE just provide advice? Yes, CBRE can provide high level data and advice in terms of strategic direction.

Contact information to get started:
